

# BETRAYER OF WORLDS

Fleeing the supernova chain reaction at the galactic core, the cowardly Puppeteers of the Fleet of Worlds have---just barely---survived. They've stumbled from one crisis to the next: The rebellion of their human slaves. The relentless questing of the species of Known Space. The spectacular rise of the starfish-like Gw'oth. The onslaught of the genocidal Pak. Catastrophe looms again as past crises return---and converge. Who can possibly save the Fleet of Worlds from its greatest peril yet? Louis Wu? Trapped in the Wunderland civil war, all he wants is to...

## Reader's Opinions

The Fleet of worlds series limps to a close...I don't know if this book was weak or if I am just tired of the series, but I struggled a little bit to get through this one. Niven is clearly trying to tie off some series loose ends and line all the characters up for the Ringworld Books. Since Ringworld was written like 30 years before...

I'm a bit torn about this one; it was a good novel, a fine read, a nice addition to the Known Space series, but it wasn't the book that I wanted and expected to be...
