

THE FUTURE OF BUSINESS: CRITICAL INSIGHTS ON A RAPIDLY CHANGING WORLD FROM 60 FUTURISTS

The Future of Business is the first book in the FutureScapes series. The book focuses on the critical social and economic forces, business trends, disruptive technologies, breakthrough developments in science and new ideas that could reshape the commercial environment over the next two decades. It explores how these future factors could come together to force a fundamental rethinking of the purpose,...

Reader's Opinions

Future of Business is a compilation of work from a diverse group of professional and lay futurologists and future thinkers. Rohit Talwar with the help of others has collected, revised and help make clearer the work of this diverse group. The output volume is unique in that it covers a broad diversity of views and perspectives, different...
