

THE UNLIKELY PILGRIMAGE OF HAROLD FRY

When Harold Fry nips out one morning to post a letter, leaving his wife hovering upstairs, he has no idea that he is about to walk from one end of the country to the other. He has no hiking boots or map, let alone a compass, waterproof or mobile phone. All he knows...

Peek Inside the Book

You have to believe. That's what I think. It's not about medicine and all that stuff. You have to believe a person can get better. There is so much in the human mind we don't understand. But, you see, if you have faith, you can do anything. Rachel Joyce, The Unlikely...

Beginnings could happen more than once or in different ways. You could think you were starting something afresh, when actually what you were doing was carrying on as before. He had faced his shortcomings and overcome them and so the real business of walking...

Reader's Opinions

I won't be pursuing this read. After the first few chapters, the book and I decided to sit down and seriously talk about where this read was headed. The conversation went something like this: ME: Look, I don't mean to...

Sweet and wonderful story...
