

# THE AMERICAN COLLEGE AND UNIVERSITY: A HISTORY

First published in 1962, Frederick Rudolph's groundbreaking study, *The American College and University*, remains one of the most useful and significant works on the history of higher education in America. Bridging the chasm between educational and social history, this book was one of the first...

## Reader's Opinions

Absolutely a phenomenal book. Seminal in every way, this text should be read by every collegiate administrator, every professor, every student studying higher education administration in graduate school. Rudolph wrote this fifty years ago and it rarely, if ever, seems dated. His research is incredible, but the true challenge with history...
