

GOD ON THE QUAD: HOW RELIGIOUS COLLEGES AND THE MISSIONARY GENERATION ARE CHANGING AMERICA

Religious colleges and universities in the United States are growing at a breakneck pace. By the tens and hundreds of thousands, some of America's brightest and most dedicated teenagers are choosing a different kind of college education, one that promises all the rigor of traditional liberal arts schools but also includes religious instruction from the Good Book and a mandate from above. In this eye-opening report, Naomi Schaefer Riley investigates these schools, interviewing administrators, professors, and students to produce...

Reader's Opinions

Interesting, though I didn't think her description of BYU was especially accurate.

This was a really interesting book and a good read. The only reason I rated it four instead of five stars is because toward the end it really started to drag, like the author had...
