

# ON WAR

Carl von Clausewitz was a 19th century military theorist who drew many of his ideas from his own experience as a Prussian soldier. Clausewitz's conception of war is strikingly unique: characterizing it as a Hegelian dialectic of...

## Peek Inside the Book

If we read history with an open mind, we cannot fail to conclude that, among all the military virtues, the energetic conduct of war has always contributed most to glory and success. Carl von Clausewitz, On War //

(1) War becomes a completely isolated act, which arises suddenly, and is in no way connected with the previous history of the combatant States. (2) If it is limited to a single solution, or to several simultaneous solutions. (3) If it contains within itself the solution perfect and complete, free from...

## Reader's Opinions

Five stars for the translation which is simply the best on the market, and includes a superb commentary by Bernard Brodie. This is my fourth time reading this in the context of a class (Naval War College) and it is not any easier to navigate or understand, however, it is never a waste...

anyone young and foolish enough to become an army officer
