## Reader's Opinions

This story had a good plot, exciting action and I always enjoy when the male pursues the female but I was frustrated by delays in the action to learn story background through characters thoughts. Erin's groom stops the wedding at the alter and she ends up flying to Vegas with the best man Tony.

It was good, their interaction was fun. I disliked Reece's attitude towards Tony's wealth. It seemed juvenile most of the times. But, all in all, a good read.
