Reader's Opinions

The Art of Star Wars: Episode I - The Phantom Menace is a much thicker book than the preceding two volumes and as such covers a much broader scale than either The Art of Star Wars: Episode V -...

I don't know exactly how it happened, but I recently stumbled upon art books for movies and my love for them has been rekindled. I probably would have never seen an art book if not for the Star Wars ones I first noticed at a Border's many years ago. So putting behind-the-scenes art and Star Wars together...
